TANISHA MATOLIYA

Computer Science Engineering Undergraduate | Indore / Ratlam, MP, India
Phone: +91 7000796315 | Email: tanishamatoliya@gmail.com
LinkedIn: linkedin.com/in/tanisha-matoliya | GitHub: github.com/tanishamatoliya

EDUCATION

Prestige Institute of Engineering Management and Research (PIEMR) - Indore, MP

Bachelor of Technology (B.Tech) - Computer Science & Engineering (2025 - 2029 Expected)
Academic Record: CGPA 8.40 / 10.0 | Sem I: 7.90 SGPA | Sem II: 8.90 SGPA

Jawahar Navodaya Vidyalaya (JNV), Kalukheda - Ratlam, MP

Senior Secondary (Class XII - CBSE, 2024-2025): 75.0% (Science - PCM)
Secondary School Certificate (Class X - CBSE, 2022-2023): 81.0%

TECHNICAL SKILLS & CORE COMPETENCIES

- Programming: Python, C, C++, JavaScript (Basics), Java (Basics)
- Web Technologies: HTML5, CSS3, Modern UI Layouts, Responsive Design, MERN Stack (React, Node, Express, MongoDB)
- AI / ML: Machine Learning Fundamentals, Prompt Engineering, Linear Algebra, Probability & Statistics
- Developer Tools: VS Code, Git, GitHub, MATLAB Workbench, Antigravity, Google Cloud
- Core CS: OOP, Data Structures & Algorithms (Basics), Software Design Principles

ACADEMIC & PERSONAL PROJECTS

1. AgreeSense - Smart Agricultural Intelligence System (Python, ML, Data Analytics)
2. DoctorAI - Intelligent Healthcare Diagnostic Platform (Python, Medical Datasets, NLP)
3. Sahayni.AI - Creative Natural Language Generation Engine (Generative AI, NLP, Python)
4. Unloop - Mental Health & Therapy Booking Platform (MERN Stack: React, Node, Express, MongoDB)
5. Lumabuds - Modern E-Commerce Web Store (HTML5, CSS3, JavaScript, Responsive UI)
6. Movie & Weather Search - Real-Time Utility Apps (JavaScript ES6+, REST APIs, CSS3)
7. Personal Web Development Portfolio & Interactive Web Apps (HTML5, CSS3, JS, Git)

HACKATHONS & TECHNICAL EVENTS

- Sustainability Hackathon - IIT Bombay
- HackXcelerate - Google Cloud College Hackathon
- AI Manthan Hackathon - Bilingual GenAI Concept (Sahayni.AI)
- Smart India Hackathon (SIH) - Innovation Competition

KEY CERTIFICATIONS

- Mathematical & Statistical Foundations for Machine Learning (Infosys Springboard)
- Innovating with Google Cloud AI (Google Cloud x Simplilearn SkillUp)
- Prompt Engineering with GitHub Copilot (Microsoft x Simplilearn SkillUp)
- SQL Analytics & BI on Databricks (Databricks x Simplilearn)
- MATLAB Foundational Badges & ML Onramp (MathWorks) | Full MERN Stack (Unstop)

LANGUAGES & STRENGTHS

- Languages: English (Professional), Hindi (Native)
- Strengths: Rapid Technological Adaptability, Analytical Problem Solving, Collaborative Team Player
